- Basic White Thick Cardstock: 4" x 5-1/4"

- Basic White Thick Cardstock: 1-3/4" x 4"

### Instructions

1. Score the Blueberry Bushel Cardstock at 4-1/4" and fold in half at the score line to create your card base.
2. Adhere the 4" x 5-1/4" piece of Basic White Thick cardstock inside the card.
3. Adhere the Full of Life Paper to the front of the card.
4. Using the side of the Azure Afternoon Stampin' Write Marker, apply ink all over the "Thank You" sentiment stamp. Highlight areas of the sentiment stamp using the side of the Berry Burst Stampin' Write Marker; stamp onto the 1-3/4" x 4" piece of Basic White Thick Cardstock. Using a small paintbrush or Water Painter, lightly add water onto the sentiment, following the lines of the stamp, to blend the colors.
5. Ink up the small floral stamp by applying Berry Burst ink on the inside of the stamp, and then adding Blueberry Bushel ink onto the outside of the floral stamp. Hold your stamp about 18" from yourself and lightly spritz the stamp with water using the Stampin' Spritzer. Apply just enough water to wet the stamp; don't overdo it! Stamp the spritzed image onto the White cardstock to the left of the sentiment. Clean & dry your stamp and repeat the same process, stamping onto the right side of the sentiment.
6. *Optional: use the lid of the Petunia Pop Light Blend to speckle the paper with ink flecks.*
7. Adhere the Basic White cardstock to the Berry Burst cardstock; adhere to the card using Stampin' Dimensionals.
