- V** = Valley Fold **A** = Mountain Fold

 - 3) Adhere one of the 1-1/4" x 4" pieces of Early Espresso cardstock to the bottom inside of the card using Stampin' Dimensionals. This will create the ledge for the easel.

 - 7) Stamp the deer onto the Basic White circle using Early Espresso ink. Create a mask by stamping the image again onto a piece of Masking Paper, cut out with scissors, and then layer onto the deer. Stamp the trees around the deer as desired using Old Olive ink.
