Instructions

- 1) Fold the 5-1/2" x 8-1/2" piece of Basic White cardstock in half.
- 2) Adhere the two 1/2" strips of Striped Waterside Retreat paper to the front of the card, one at the top, and one at the bottom. Make sure they line up at the edges.
- 3) Adhere the 3-3/4" x 5-1/2" piece of Cloud paper to the center of the front of the card.
- 4) Using the scrap of the Cloud Paper pattern, stamp the sentiment using Misty Moonlight ink and punch out the sentiment using the Three Banner Punch. Set aside.
- 5) Adhere the "image" pattern to the Misty Moonlight cardstock. Using the sentiment banner from the previous step, add adhesive *only* to the left side and adhere it to the right side of the image. Add Stampin' Dimensionals to the back of the card, including the part of the sentiment banner that hangs over the Misty Moonlight cardstock.
- 6) Adhere to the front of the card to finish.
