July 22, 2026

Measurements

- Barely Blush Cardstock: 5-1/2" x 8-1/2", scored at 4-1/4"
- Basic White Cardstock:
 - 4" x 5-1/4" (inside card)
 - 1/2" x 3-1/2" (sentiment)
 - 5-1/2" x 5-1/2" (or scraps for die-cutting)
- Gingham Gallery Barely Blush Paper:
 - 4" x 5-1/4"
 - 1/2" x 5-1/4"
- Soft Sea Foam Cardstock: 5" x 5" (or scraps for die-cutting)

Instructions

- 1) Fold the 5-1/2" x 8-1/2" Barely Blush cardstock in half at the score line to create your card base.
- 2) Adhere the 1/2" x 5-1/4" strip of Gingham Gallery Barely Blush Paper to the bottom of the 4" x 5-1/4" piece of Basic White cardstock; adhere inside card base and decorate as desired.
- 3) Adhere the 4" x 5-1/4" piece of Gingham Gallery Barely Blush Paper to the front of the card.
- 4) Run the 5-1/2" square of Basic White cardstock through the Stampin' Cut & Emboss Machine and die-cut the four Poinsettia images. Sponge lightly using a Blending Brush and the Crisp Cantaloupe ink pad, leaving lots of white space. Run the Soft Sea Foam cardstock through the Cut & Emboss Machine and die-cut two of the 4-petal Poinsettia image. Sponge as leaves using a Blending Brush and the Soft Sea Foam ink pad.
- 5) Place all of the above dies back into each die and run through the Cut & Emboss Machine using the following sandwich: Platform (#1) —> Shim (#2) —> Die Paper Side Up —> Impressions Plate —> Gray Plate (#4) to create texture.
- 6) Once done, *lightly* curl each of the petals using a Bone Folder. Start by placing the Soft Sea Foam leaves at the bottom, off-setting each, then build the Poinsettia starting with largest die-cut and working up to smallest die-cut. Adhere in upper left corner of the card base.
- 7) Stamp the sentiment onto the 1/2" strip of Basic White cardstock using Crisp Cantaloupe ink. Use scissors to cut the right end at an angle and adhere to the front of the card, slightly tucking the left side under the flower. To finish, add one of the In Color Dots to the center of the flower.
