August 5, 2026

Measurements

- Fresh Freesia Cardstock: 5-1/2" x 8-1/2", scored at 2-1/8" and 4-1/4"
- Basic White Cardstock: 4" x 5-1/4"
- Highland Heather Cardstock: 3-1/2" x 4-3/4"
- Lovely & Beautiful Specialty Paper: 3-1/4" x 4-1/2"
- Basic White Cardstock: 2" x 4-1/2"

Instructions

- 1) Fold the 5-1/2" x 8-1/2" Highland Heather cardstock in half at the 4-1/4" score line to create your card base.
- 2) Open the front of the card, place inside the Floral Spray 3D Embossing Folder and run through the Stampin' Cut & Emboss Machine. Fold the front of the cardstock back (Valley Fold) on the 2-1/8" score line; burnish well with a Bone Folder.
- 3) Adhere the 4" x 5-1/2" piece of Basic White cardstock inside the card. Decorate as desired.
- 4) Adhere the Lovely & Beautiful Specialty Paper to the Highland Heather cardstock. Adhere the left side onto the front of the card, being careful to not have glue on the right side (*or you might glue your card shut.*)
- 5) Run the 2" x 4-1/2" piece of Basic White cardstock through the Stampin' Cut & Emboss Machine and die-cut the second smallest elongated diamond die from the Nested Essentials Dies.
- 6) Stamp the "thanks" sentiment onto the center of the die-cut using Highland Heather ink. Mask the sentiment using a 3/8" x 1-1/2" mask. (*I stamped the sentiment on a post-it note and cut a rectangle out and used that as the mask.*)
- 7) Ink up the large stem using Old Olive ink, stamp off once lightly on scratch paper and stamp over the mask. Ink up the 2 large flowers using Fresh Freesia ink, stamp off once and stamp onto stems. Ink up the floral inside pieces using Highland Heather ink; stamp onto flowers. If desired, stamp the ferns at the bottom of the die-cut using Old Olive ink, stamping off at least once; repeat as desired.
- 8) Remove the mask covering the sentiment; adhere the die to the center of the card using Stampin' Dimensionals to finish.
