September 30, 2026

Measurements

- Blackberry Bliss Cardstock: 5-1/2" x 8-1/2", scored at 4-1/4"
- Very Vanilla Cardstock: 4" x 5-1/4"
- Autumn Opulence Designer Paper:
 - 4" x 5-1/4" (Leaf Pattern)
 - 2-1/2" x 4" (Leaf Pattern)

Instructions

- 1) Fold the 5-1/2" x 8-1/2" Blackberry Bliss Cardstock in half at the 4-1/4" score line to create your card base.
- 2) Adhere the 4" x 5-1/4" Very Vanilla cardstock inside your card and decorate as desired.
- 3) Using the Elegant Leaves medium and small leaf stamps, stamp randomly onto the 4" x 5-1/4" piece of Autumn Opulence paper using the Blackberry Bliss and Golden Glow ink pads. *Tip: I stamped the Blackberry Bliss ink off once on my scratch sheet before stamping onto the Designer Paper so that it wasn't so dark.*
- 4) Adhere the Autumn Opulence paper to the front of the card.
- 5) Create the Hot Foil Copper sentiment by running through the Hot Foil Machine. *Tip: if you don't have the Hot Foil System or the Classic Greetings Dies, stamp the sentiment of your choice onto the Autumn Opulence paper and fussy cut out using Scissors.*
 - Turn on the Hot Foil Machine and wait for the beep telling you the machine is ready
 - Place the sentiment die flat side down onto the platform; press white timer button
 - When machine beeps, place the foil shiny side down onto the die, then place the foil shiny side down, then paper (with the leaf pattern down onto the foil), then the Hot Foil Shim (green) and the Hot Foil Spacer (acrylic plate)
 - Unplug Machine. Run the platform slowly through the Cut & Emboss Machine. Peel off the foil for the reveal. Run the foiled sentiment through Cut & Emboss machine again, this time using the regular die to cut out the sentiment. Adhere to card front using Stampin' Dimensionals to finish.
