October 21, 2026

Measurements:

- Sunflower Fields Designer Paper: 6" x 12"
- Crumb Cake Cardstock: 3" x 6" and 3" scrap
- Basic White Cardstock: 2-1/2" x 5-1/2" and 2-1/2" scrap

Instructions:

- 1) Cut the Sunflower Fields Designer Paper down to 6" x 9" and reserve the remaining 3" x 6" piece.
- 2) Score the 6" x 9" piece of Designer Paper at 3" and 6"; fold on score line. Following the diagram below, score from the top right to the bottom left on both end panels. Fold back into a mountain fold to create the outside diagonal flaps.
- 3) Adhere the remaining 3" x 6" piece of Designer Paper from Step #1 and adhere to the inside of the card. Stamp the sentiment onto the 2-1/2" x 5-1/2" piece of Basic White cardstock; adhere inside card.
- 4) Die-cut the 2-1/2" scrap of Basic White cardstock using the 2-1/8" stitched circle from the Stylish Shape Dies. Die-cut the 3" scrap of Crumb Cake Cardstock using the 2-1/2" stitched circle from the Stylish Shape Dies.
- 5) Stamp the sunflower onto the 2-1/8" Basic White circle using Cajun Craze ink. Color in using the Blends. Adhere to the Crumb Cake circle using Stampin' Dimensionals. With the card closed, adhere the sentiment circle to the left side of the card, being careful to only adhere adhesive to the left flap so that you don't accidentally seal your card shut.
- 6) This card will not fit into a standard size envelope but will fit inside a 6" x 9" envelope that only requires a first-class postage stamp. Learn how to make your own 6" x 9" envelope here: <https://www.youtube.com/watch?v=v1dcQQMiqno>
