Instructions:

1) Fold the Cloud Cover cardstock at the score line to create your card base.
2) Adhere the 4" x 5-1/4" piece of Basic White Cardstock inside the card base and decorate as desired.
3) Fold the 11" x 4" Secret Sea Cardstock at the 5-1/4" score line (valley fold) and at the 8-1/8" score line (mountain fold.) Adhere the two pieces of All Wrapped Up Specialty Paper (*floral pattern)* to the Secret Sea Cardstock as shown on the sample.

4) Fold the 1-1/4" x 10-1/4" Secret Sea cardstock on the two score lines, both as Mountain Folds. Adhere the 2 pieces of 1"x 1-1/2" All Wrapped Up Specialty Paper (*plaid pattern)* as shown:

Fold the Secret Sea Cardstock on the 5" score line and apply adhesive as shown above. Adhere to the top center of the Secret Sea Cardstock (*Step #3)*, so that the fold is at the top.

5) Run the 3-1/2" x 4-1/2" piece of Secret Sea Cardstock through the Stampin' Cut & Emboss Machine using the 4th largest Everyday Arches die. *Note: if you do not have these dies, simple cut the cardstock to 3" x 4-1/4")*

6) Run the 3" x 4-1/4" All Wrapped Up Specialty Paper (*plaid pattern)* through the Stampin' Cut & Emboss Machine using the 5th largest Everyday Arches die. *If you don't have these dies, cut your paper to 2-1/2" x 3-3/4".*

7) Adhere the All Wrapped Up paper to the Secret Sea cardstock. Using Stampin' Dimensionals in the lower right and lower left corner, adhere to the bottom of the 11" x 4" Secret Sea Cardstock. Adhere the Secret Cardstock to the front of the Cloud Cover card base. Slide the loose piece from Step #4 into the "pocket" created by your front Secret Sea/All Wrapped Up element.

8) Using the Hot Foil System with either the Classic Greetings Hot Foil Dies (all-occasion) or the Magical Christmas Hot Foil Dies (#170592), create your sentiment using the scrap of Basic White cardstock and Silver Hot Foil Roll. *Click here for more info on how to use the Stampin' Hot Foil System.)*

9) To finish, add the sentiment to the front of your card using Stampin' Dimensionals.
