Measurements:

- Pecan Pie Cardstock: 5-1/2" x 8-1/2", scored at 4-1/4"
- Very Vanilla Cardstock: 3-1/2" x 9-1/2", scored at 4-3/4"
- Sunflower Fields Paper: 4" x 5-1/4" and 1/2" x 3-1/2"

Instructions:

1) Fold the Pecan Pie cardstock at the 4-1/4" score line and burnish well with a Bone Folder.

2) Open the Pecan Pie cardstock and place the top right score line on the Paper Trimmer cutting track and the lower left corner on the cutting track and cut off the triangle. *Use the remaining triangle piece on another card.*

3) Place the 4" x 5-1/4" piece of Sunflower Fields Designer Series Paper onto the trimmer with the side you want to use facing up. Cut from the upper left corner to the lower right corner. This is opposite of the way you cut the card base. Flip the top piece around and adhere to the front flap of the card.

4) Fold the Very Vanilla cardstock in half at the 4-3/4" score line and burnish well with a bone folder. Place on scratch paper and adhere using non-stick tape such as Washi or Post-It Note tape.

5) Place Decorative Mask #1 over the cardstock and line up where you want the image to go. Use a marker to trace the "v" notch onto the scratch paper; this will make it easier to line up the other masks. If desired, tape down the top of Mask #1 using the non-stick tape.

6) Using a Blending Brush, sponge Crumb Cake ink over the Decorative Mask as desired. Remove Mask #1 and set aside.

7) Line up Decorative Mask #2 over the image, using the "v" notch to help line up the Mask. Sponge Pecan Pie onto the mask using a Blending Brush. Remove the Mask and set aside.

8) Line up Mask #3 over the image, using the "v" notch to help line up the Mask. Sponge Cajun Craze onto the Mask using a Blending brush. Remove the Mask and set aside.

9) Line up Mask #4 over the image, using the "v" notch to help line up the Mask. Sponge Peaceful Pine onto the Mask using a Blending brush. Remove the Mask and set aside.

10) *Optional:* Place Mask 5 over the image, using the "v" notch to help line up the Mask. Using a palette knife, carefully apply a thin layer of Shimmery White Embossing Paste over the mask. Carefully remove the mask and immediately run the mask under warm water to remove the paste; set aside to dry. Alternatively, you can use the Wink of Stella Clear Glitter Brush over the mask to create sparkle. Clean the mask as soon as you're done, running the mask under warm water.

11) On the inside of the Very Vanilla cardstock, adhere the 1/2" strip of Sunflower Fields paper to the bottom of the cardstock. Stamp the sentiment of your choice in the center using Pecan Pie ink.

12) Adhere the Very Vanilla cardstock to the center of the inside of the card. Flip the Very Vanilla top/image cardstock over the front card base flap so that it becomes a double-flap opening card.
